Device Credentials

You registered your device to the organization. Add these credentials to the device to connect it to the platform. After the device is connected, you can navigate to view connection and event details.

Organization ID	dmuidw
Device Type	Abinaya
Device ID	312002
Authentication Method	use-token-auth
Authentication Token	HdUasqf1j/b7C)cEB9X)

⚠

Authentication tokens are non-recoverable. If you misplace this token, you will need to re-register the device to generate a new authentication token.
[Find out how to add these credentials to your device](#)

Connection Information

Basic connection information about this device.
